

New Hospital Radiography Practice Permit/ Internship Accreditation Application Guidelines

1. Go to <https://monitoring.rrbn.gov.ng>
2. Select your application category e.g. “Apply for Radiography Practice Permit”
3. Read Guidelines Page and Click “Agree & Proceed”
4. Complete the New Hospital Profile Creation Form (this creates your account on the portal)
5. Use the email and password entered in the New Hospital Profile Creation Form to sign into your account using the sign in button on the menu
6. On your Dashboard, click “Continue Application”
7. Click on the Action button on the displayed table to proceed to the next stage of the application (e.g. first action is “Register”)
8. Always click on “Continue Application” to continue your application from whatever stage you stopped previously.
9. Once your payment details are submitted, the Board will verify your supporting documents and payment details and once successfully verified will schedule your facility for inspection
10. Always check your dashboard by clicking “Continue Application” for updates on the progress of your application.
11. The final stage of the application presents you with an electronic copy of your practice permit or certificate which you can download and print for your records
12. If experiencing difficult at any time, kindly contact support at:
